Here is the PolarAid™ disc application schedule suggested by Dr. Tomić in his protocol for the following conditions where the bioenergy transmitted by antenna has proven its efficiency. However time frame is a base for everyone to start using the disc and to adjust it further according to individual needs.

Gynecological and urological problems, PMS, climacteric problems, infertility:

10-15 minutes PolarAid™ disc application on chakras no 1 and no 2, to repeat 2-3 x daily if needed. To treat chakra no 1 you can be seated on the disc for 10-20 minutes.

Weakened libido and potency:

To be seated on the PolarAid™ disc (chakra no1) for 15-20 minutes daily and to apply 10-15 minutes on lower back.

Obesity:

10-15 minutes application on chakra no 5, and 10-15 minutes on chakra no 3 after each meal.

Hemorrhoids:

To be seated on the PolarAid™ disc (chakra no1) for 15-20 minutes daily.

Constipation and intestinal problems:

10-15 minutes PolarAid™ disc application on chakras no 2 and 3, repeat 2-3 x daily if needed.

Painful joints and spine:

10-20 minutes PolarAid™ disc application on painful joint, repeat 2-3 x daily if needed.

Neurological disorders (Trigeminal, sciatic etc.):

10-15 minutes PolarAid™ disc application on the painful spot, repeat 2-3 x daily if needed.

Pulmonary and cardiovascular problems:

10-15 minutes PolarAid™ disc application on chakras no 4, repeat 2-3 x daily if needed.

Cold feet:

15-20 minutes PolarAid™ disc application under each foot, repeat 2-3 x daily if needed.

Thyroiditis:

10-15 minutes PolarAid™ disc application on chakra no 5 daily.

Sinusitis:

2-3 minutes PolarAid™ disc application on chakra no 6, 2-3 x daily if needed.

Headache:

2-3 minutes PolarAid™ disc application on chakras no 6 and 7.

Mood disorders:

10-15 minutes PolarAid™ disc application on chakra no 4, 2-3 minutes application on chakras no 6 and no 7, 10 minutes holding the disc between hands. Rest of the time, to leave it on a table in room where you are.

Sleep disorders and to improve the sleep quality:

To place the PolarAid™ disc overnight on the night table, approx. 3 feet away from your pillow.

Polaraid™ users testimonials:

"We are all gratified to have discovered a fantastic tool which being in our 70's enormously helps us daily to deal with various pains."

"After three months, pains had greatly diminished and I could FINALLY eat meat in sauce and seasonings, and drink wine!"

"It worked so well on my abdominal pain, I tried on my decade long migraine headaches. The disc took care of that too..."

"I was amazed in drinking the tap water after 30 minutes on the disc... The taste is delightful...!"
